IX. THE DECLARATION

I, _____ hereby declare that,

Full name and title of the Declarer

- (a) I waive any claim to the use of any particular frequency or of the either as against the regulatory power of the Republic of Vanuatu because of the previous use of the same, whether by license or otherwise and request a license in accordance with this application;
- (b) I confirm that the ship radio station installation and electronic navigational equipment conforms to the current ITU radio regulations and current SOLAS requirements; and
- (c) the information contained in this application is true and correct to the best of my knowledge.

Declared before me this _____ day of _____.

Signature and title of the Declarer

Signature and title of person authorized under the Maritime Act to take declarations.

X. NOTICE

1988 Amendments to SOLAS relative to radio communications, commonly known as GMDSS, require a complete changeover to GMDSS by 1 February 1999 and also mandate the installation of a NAVTEX and a satellite EPIRB by 1 August 1993.

Owners are reminded that the vessel *must* comply with the provisions of these regulations no later than 1 February 1999 and that all vessels constructed on or after 1 February 1995 must comply on registration under the Vanuatu Flag.

NO EXEMPTIONS WILL BE GRANTED FOR FAILURE TO COMPLY WITH THESE REQUIREMENTS AFTER THOSE DATES.
